Mr. Friedman's Classroom Rules

- 1. Enter and leave the classroom QUIETLY.**
If you're tardy, go to your seat without bothering the rest of the class. It is YOUR responsibility to hand me your absence slip if you have been absent.
- 2. You are tardy if you are not SITTING DOWN in YOUR assigned seat when the bell BEGINS to ring.**
Obviously, this does not apply on days we line up outside.
- 3. Stay in your seat.**
If you need something from somebody, raise your hand. Hold onto trash until the end of the period; then put it in the wastebasket as you leave. You may sharpen your pencil at your seat.
- 4. Be quiet in class. Raise your hand to speak or ask questions.**
WAIT until I call on you before speaking.
- 5. Keep your hands off other people and their property.**
The playground is for playing. All playing stops when you enter my door, whether the bell has rung or not. Fighters will stay after school to discuss the problem. Bring your own supplies.
- 6. Never throw anything anywhere at any time.**
Flying objects are unsafe and cause fights.
- 7. No food, drink, or gum in class.**
Do not bring food or drinks into the school building.
- 8. No hall passes during the first and last 10 minutes of class.**
This is the school's rule, not mine. Only one person can be out of the class at one time. If you use the bathroom pass, you must make up the time with 10 minutes of cleaning after school.
- 9. Follow the teacher's instructions quickly.**
We don't have time for me to beg you to do things.
- 10. When the bell rings, wait to be dismissed.**
No one gets to leave until the floor is clear of trash and the class is quiet. The faster the class gets quiet, the faster you get to leave.
