Dear Parent / Guardian,

Welcome back to a new school year! I would like to take this opportunity to introduce myself to you and your family. I will be your child's Special Education Teacher for Mathematics & Science during the 2008-2009 school years.

Throughout this new school year, I intend on bringing a lot of enthusiasm and energy to the classroom, while creating a successful learning environment for your child. I am eager to learn all of the great things that my students have to offer and hope to build a positive and lasting relationship with them.

I have included a copy of my classroom contract for the year. Please review this with your child and return to me with your signature. If you have any questions or would like additional information, please feel free to contact me during the office hours listed on the classroom contract.

Again, I look forward to working with you and your child and will be glad to meet with you for a personal conference upon your request. I thank you for your time and wish you and your family the very best!

Sincerely,

Ms. Petty
