### What is a School for Advanced Studies?

The Schools for Advanced Studies are programs designed throughout the District which have been implemented to improve educational options and increase professional training to support the development of gifted and talented youth.

### The School for Advanced Studies (SAS)

**Program offers an intensive academic articulated program in which both innovative and traditional courses are taught. The course content is modified to match the students' achievement level and capacity for learning**

### Advanced Studies Student Outcomes

- Continuous progress based on ability
- Accelerated student performance
