# 5 Great Reasons To Check Muir MS

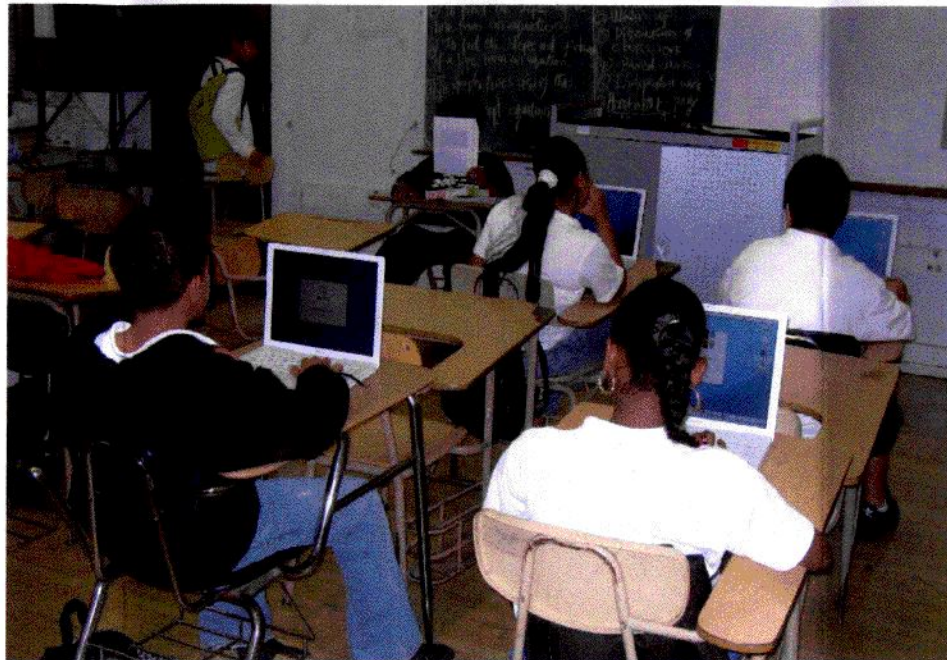

In your "Choices" Brochure

## The IMAST Project

We're part of a multi-million dollar Technology Grant placing a laptop on every 7th & 8th grade math and science desk.

## Advanced Classes

If you scored Proficient or Advanced in 5th Grade, get a head start to high school and college in our Advanced classes.

## The USC Connection

One of only 2 Middle Schools to feed into the program.

Keep up your grades, meet the SAT requirements...  
Automatic acceptance, full tuition scholarships to USC.

## Small Learning

### Community

Smaller classes.  
Teachers as counselors.  
6th grade "coring".  
7th & 8th grade "looping".

### Enrichment

Tech Trek...a free week in dorms on college campuses.  
Yosemite... a free summer week in the National Park.
